

Why call Matrix? For information, support, & advice

“Through this letter I would like to deeply thank Matrix for all the moral and professional support...I have 10 years or more attending the trainings through Matrix and they have been of great help to me...to understand more about the programs and understand all concepts...

.....
Grupo LUNA is a link between parents and NBRC. Ana Acosta connects us with NBRC service providers and provides us with up-to-date information on resources for our children. Thank you very much for all the attention my son and I received from Matrix and LUNA.

.....
Thank you very much for all the help and information, the support you give us is very important to us since it is easier to understand, thank you, thank you. Thank you so much for everything. ”
