

ACCOUNTING UNIT – PROVIDER SERVICE DIRECTORY

Vendors, please refer to this directory when calling to speak to a Fiscal Assistant regarding billing and/or payment issues. Each Fiscal Assistant is assigned an alpha split based on the first name that is listed in your vendor file. For example, a parent vendor named Mary Jane Doe is filed under “Mary”. The Fiscal Assistant assigned to “M” in the alpha split is the primary contact. If you are inquiring about authorization information, please contact the consumer’s service coordinator. If you are still unsure who to contact, please dial the main number, (916) 978-6400, and ask to speak to someone in Accounting.
