***Public Meeting to discuss Purchase of Service (POS)
expenditures and demographic data for regional center
clients.***

Alta California Regional Center (ACRC) staff will be presenting data as required by the Lanterman Act (W&I Code §4519.5).

The data will show ACRC expenditures broken down by different demographic categories as required under the law. Public discussion is encouraged, and Spanish translators will be available during the meeting. Community members are welcome to attend and participate.
