

Listening and Feedback Session

Wednesday, February 25, 2026 from 6:00 pm - 7:30 pm

African American, Black, Caribbean, Biracial, and Multiracial clients and families are invited to join Alta California Regional Center (ACRC) and the State Council on Developmental Disabilities for an in-person follow-up Listening and Feedback Session. Your voice matters!

During this gathering:

- ACRC will share what we learned from our last session and what we have done.
- We will share information about our upcoming Purchase of Service meetings and ask for feedback on areas to focus our presentation.
- We look forward to the opportunity to continue listening and learning about what is working and what are areas of concern.

ACRC comes to this meeting with the intention and opportunity to build trust, partnership, and mutual understanding as we connect and serve our community.
