

# Recruiting People with Disabilities into Your Workforce

Businesses evaluate employees with disabilities as exceptionally capable, dependable, hard working, motivated and enthusiastic

The Northern California Business Advisory Council invites you to attend a webinar featuring:

- Franklin Templeton's Ability Recruitment Program
- Alta California Regional Center's Paid Internship Program
- Golden Sierra Job Training Agency's Disability Employment Accelerator Grant

**Wednesday,  
October 14, 2020  
9:00 -10:30 AM**

**Register at:**

The Northern California Business Advisory Council has been working to meet the workforce needs of businesses in the Sacramento region since 2015.

The Business Advisory Council hosts events featuring businesses that share their successful experiences meeting qualified applicants who have disabilities, discussing the excellent work of their employees and the supports they have received at no cost through partner support agencies.
