

TELL US WHAT YOU THINK!

The Department of Developmental Services wants to hear from you about your IPP meeting. We do not ask for your name so you can be open and direct with your answers. It is your choice to take this survey.

Ways to take the short survey:

1. Scan the QR code with your camera app on your phone or tablet and click the link that pops up on your screen.
2. Call 833-421-0061 and press option 1.
3. Email IPPSurvey@dds.ca.gov for the survey.
4. Request a paper copy in the mail.
