If you are a client at ALTA and have used alcohol or drugs, your experiences can help make health care better. WE WOULD LIKE TO TALK TO YOU!

What to Expect:

- Online interview with a researcher
- About 30 minutes
- Call will be recorded
- You may have a support person with you

Why This Matters:

- All people deserve good health care
- Your answers will help fix problems with care
- The goal is to make care that fits each person

You're the expert of your own life!
