Alta California Regional Center has received grant funds from the Department of Developmental Services for 2018-19 grant year. The purpose of the funds is to find innovative and creative ways to provide respite services to our culturally and linguistically diverse populations. To accomplish this, ACRC would like the feedback of Slavic caregivers on how respite services could be made responsive to their family's needs. We need your participation. Please consider joining us. Please let your service coordinator know of your interest to participate, or call Helen Neri at 916-978-6621 or email at hneri@altaregional.org. For Russian/Ukrainian languages, call Oksana Stasyuk at 530-669-5229 or email at ostasyuk@altaregiongl.org

* We will provide transportation and childcare services if needed and requested. Please let your service coordinator know if you need any of this service.
