

Stakeholder Meeting

For

Community Resource Development Plan

Public Notice

For Fiscal Year 2021-2022

Each fiscal year, Alta California Regional Center (ACRC) submits its plan to the Development of Developmental Service (DDS) for Community Resource Development Plan (CRDP) development. CRDP development addresses the service and support needs of individuals living in the community to avoid locked or highly restrictive settings. The projects ACRC requests are based on the goals listed below and ACRC Stakeholder input.

ACRC asks its Stakeholders (clients, families, vendors, client advocate, Provider Advisory Committee (PAC), Client Advisory Committee (CAC), ACRC staff, etc.) to provide input in which types of services and supports are needed. ACRC uses Stakeholder input as a guiding tool to determine which CRDP projects ACRC may request DDS to provide special funding for its development.

GOALS

ACRC's goals for CRDP are to be responsive to the changing needs of the individuals we serve through an expanded capacity of services and supports designed to meet those changing needs. The goal is to meet the unmet and under met needs of our clients.

1. **Goal One:** *Expand the availability, accessibility, and types of services and supports to meet current and future needs of individuals and their families in the community.*
2. **Goal Two:** *Develop systems to ensure that quality services and supports in the least restrictive environment are provided to individuals in the community.*
3. **Goal Three:** *Develop services that are person-centered and represent the diversity of the regional center's catchment area.*

PRIORITIES & ON-LINE SURVEY

To provide input on the priorities for CRDP development, **please complete the on-line survey ([click here](#))**. This survey allows the respondent to identify up to three priorities. The results of this survey will be reviewed and discussed at the stakeholder's meeting on September 21, 2021.

STAKEHOLDER MEETING

ACRC is hosting a stakeholder meeting via **Zoom** to review the results of the survey and allow for stakeholder final input.

CRDP Stakeholder's Meeting

Date: Tuesday, September 21, 2021 from 1-2pm

To join the meeting go to:
