

What is Alta California Regional Center (ACRC)?

ACRC is a private non-profit corporation working under contract with the California Department of Developmental Services (DDS) to assist people with developmental disabilities and their families to achieve healthy and productive lives in their own community. ACRC's Early Start Program serves children birth to 36 months with developmental delays or who are at risk for a developmental disability.

ACRC is the one agency in the community through which people with developmental disabilities and their families are assisted to make use of essential public and private services to meet their individual needs.

ACRC is included within a network of 21 regional centers in California established by the Lanterman Mental Retardation Services Act of 1969.

Counties Served

ACRC serves residents of Alpine, Colusa, El Dorado, Nevada, Placer, Sacramento, Sierra, Sutter, Yolo, and Yuba Counties.

The Early Start Program (birth to 36 months): If you have any concerns about an infant's or toddler's development, please ask for a referral for a developmental assessment.

Eligibility under the Lanterman Act (ages 3 through adulthood): Regional center eligibility for persons ages 3 and older is established by ACRC, through assessment and diagnosis. Conditions of eligibility:

- Intellectual Disability*
- Cerebral Palsy
- Epilepsy
- Autism
- Or other handicapping conditions found to be closely related to intellectual disability or to require treatment similar to that required for individuals with an intellectual disability.

*also known as Intellectual Developmental Disorder (IDD)

Provisional Eligibility: Children under the age of 5 who are found ineligible for Lanterman services may be provisionally eligible for regional center services. For more information about provisional eligibility please visit our website.

What services can ACRC provide?

- Developmental Assessment to provide Early Intervention services for infants and toddlers.
- Assessment and Diagnosis for individuals ages 3 through adulthood.
- Individualized Planning
- Service Coordination
- Information and Referrals
- Purchasing Necessary Services

How much do services cost?

Assessment to determine eligibility is provided free of charge. If found eligible, case management will develop an Individual Program Plan (IPP) which is also free of charge.

For parents of children under the age of 18, there may be a share of cost for some services. If any fee applies to your family, your Service Coordinator will provide you more information.

Who do I call to make a referral?

For infants and toddlers from birth to age 36 months, please call (916) 978-6249 or visit our website:

For children over ages 3 through adulthood, please call (916) 978-6317 or visit our website:

Individuals can be referred to ACRC at any age. For those 18 and older at the time of the referral, the assessment must determine that the eligible condition began and caused substantial disability before their 18th birthday to qualify for regional center services.
