INLAND REGION	
Operational Area	Heat Related Actions
<b>Alpine</b>	The County is monitoring.
<b>Amador</b>	The County is monitoring and sending messaging.
<b>Butte</b>	The County is monitoring.
<b>Calaveras</b>	The County is monitoring.
<b>Colusa</b>	The County is monitoring.
<b>El Dorado</b>	The County is monitoring.
<b>Fresno</b>	The County is monitoring and allowing minimal additional traffic, for cooling, in government buildings, during normal business hours. No additional cooling centers after hours or during the weekend will be available. For a list of cooling centers, please see link: <a href="https://www.fresno.gov/parks/cooling-centers/">https://www.fresno.gov/parks/cooling-centers/</a>
<b>Glenn</b>	The County is monitoring.
<b>Kern</b>	Multiple cooling centers will open Friday, 08/14. Cooling center status for the weekend has not yet been determined. For a list of cooling centers, please see link: <a href="https://www.kerncounty.com/government/parks/facilities/cooling-centers">https://www.kerncounty.com/government/parks/facilities/cooling-centers</a>
<b>Kings</b>	The temperature forecast in some areas of Kings County is triggering the opening of cooling centers this weekend. They will be practicing social distancing, limiting capacity, and requiring the wearing of masks. All cooling centers this year are municipally owned and based on need. The rural transit authority will also be assisting by providing transportation to people in outlying areas to the nearest municipal cooling center if required. The County will be putting out messaging regarding the weather and the available cooling centers for this event. For a list of cooling centers, please see link: <a href="https://www.countyofkings.com/home/showdocument?id=896">https://www.countyofkings.com/home/showdocument?id=896</a>
<b>Lassen</b>	The County is monitoring.
<b>Madera</b>	The County is monitoring and allowing minimal additional traffic, for cooling, in government buildings, during normal business hours. No additional cooling centers after hours or during the weekend will be available.
<b>Mariposa</b>	The County is monitoring and allowing minimal additional traffic, for cooling, in government buildings, during normal business hours. No additional cooling centers after hours or during the weekend will be available.
<b>Merced</b>	The County is monitoring and allowing minimal additional traffic, for cooling, in government buildings, during normal business hours. No additional cooling centers after hours. For the weekend and possibly for the beginning of next week, the City of Merced is planning on reopening libraries only for use as cooling centers. However, since libraries were closed due to COVID 19, many of the staff were reassigned to other duties. Discussions are ongoing to get
<b>Modoc</b>	The County is monitoring.

Current as of 8/14 at 9:00am

<b>Nevada</b>	The County has increased public messaging through social media to remind the public about heat related illness and ways to minimize heat impacts to all, including, youth, elderly, and pets. The Nevada County's COVID 19 Optumserve test site has been moved indoors due to heat.
<b>Placer</b>	The County is monitoring.
<b>Plumas</b>	The County is monitoring.
<b>Sacramento</b>	The County is monitoring. The County held a call with stakeholders at 1300 today and will update response as necessary. Sacramento County is leaning towards opening cooling centers with VOAD/faith-based organizations (several locations identified but not confirmed). They are aware of the COVID guidance and will be looking at that closely when opening cooling centers. The County is also making flyers to give to the delivery service for Great Plates meals to their participants (all elderlies) to remind them to utilize their A/C and to keep cool. Public information officers will be doing more public messaging etc.
<b>San Joaquin</b>	The County is monitoring.
<b>Shasta</b>	The County is monitoring.
<b>Sierra</b>	The County is monitoring.
<b>Siskiyou</b>	The County is monitoring.
<b>Stanislaus</b>	The County is opening a cooling zone at one of their Modesto libraries on Saturday and are updating their cooling zone list with this information. The County will send to our county public information officer this information for posting online and via other channels.
<b>Sutter</b>	The County is monitoring.
<b>Tehama</b>	The County is monitoring.
<b>Trinity</b>	The County is monitoring.
<b>Tulare</b>	The County is monitoring.
<b>Tuolumne</b>	The County is monitoring.
<b>Yolo</b>	The County is monitoring.
<b>Yuba</b>	The County is monitoring.
