

# GET OUT THE COUNT FOR THE 2020 CENSUS

CALIFORNIA COMPLETE COUNT OFFICE – CENSUS 2020

## When We Get Counted, Everyone Benefits!

Children and adults with disabilities and older adults need all Californians to complete the 2020 Census. Help us get out the count to every person in your social circle with these three actions.

### Act Now – Step 1

Take the 2020 Census today! Here are three ways you can complete the 2020 Census:

**Online** <https://my2020census.gov>

**Phone** (844) 330-2020

**Mail** Return your paper Census form you received in the mail

### Act Now – Step 2

Post the social media graphics provided below across all your social media platforms. Visit <https://disabilitycounts2020.org/posters-and-materials/> to access jpegs of these graphics.

**Children with disabilities and disabled adults need everyone in your county to complete the Census!**

YOU can make sure your county has the resources to meet their needs in school, in health care, in transportation, and more.

**¡Los niños con discapacidades y los adultos discapacitados necesitan que todos en su condado completen el censo!**

USTED puede asegurarse de que su condado tenga los recursos para satisfacer sus necesidades en la escuela, la atención médica, el transporte y más.

## Act Now – Step 3

Call 10 people you know to share the importance of completing the 2020 Census now. Let them know it's not too late to take the Census. Ask them to call (844) 330-2020 or visit <https://my2020census.gov> to take the Census today.

### Ask them if they know:

- Answering 9 questions today can positively impact their family, friends, and communities for the next 10 years!
- Data from the 2020 Census will be used to decide funding for many vital local programs for everyone and for every community in California. Programs for schools, childcare, health care, senior services, emergency food and shelter, and so much more!
- 2020 Census data will help many businesses, philanthropic entities, and federal, state, county and city government agencies assess emerging needs for us and our families, friends, and neighbors so they plan or create the programs and services to meet these needs!

For more information about our Get Out the Count outreach efforts to ensure all Californians are seen, heard, and counted in the 2020 Census, please visit <https://census.ca.gov/gotc/>.
