African American, Black, Caribbean, Biracial, and Multiracial clients and families are invited to join Alta California Regional Center (ACRC), the State Council on Developmental Disabilities, and Sankofa Parent Support Group for an in-person Listening and Feedback Session. Your voice matters!

ACRC comes to this gathering as an opportunity to build trust, partnership, and mutual understanding as we connect and serve our community. We look forward to the opportunity to continue listening and learning about what is working, areas of concern and ways to address service improvement.
