Who reports the suspected abuse or neglect?

- Service Coordinators, Vendors, and Long- Term Health Care Providers are all Mandated Reporters and need to follow the laws for mandated reporting whenever there is a suspicion of abuse or neglect of a child, dependent adult or elder.
- The agency which either witnesses, obtained knowledge, or suspects the abuse or neglect of the child, dependent adult or elder should be the person responsible for making the mandated report.
- When making the report it should be reported to the local agency of where the suspected abuse or neglect occurred.
- Because there are different jurisdictions for the protective agencies depending on the age of the victim and the location of the incident please follow the guidelines below:
