

National Core Indicator Public Meeting

November 17 at 4:00pm

Join the Alta California Regional Center Board of Directors to review our National Core Indicator (NCI) data. The Department of Developmental Services uses NCI to monitor the performance of developmental disabilities service system and regional centers.

Register for the meeting with this link.

Meeting ID: 818 0315 2798

ASL and Spanish translation will be provided – for additional languages please contact Herman Kothe hkothe@altaregional.org, (916) 978-6506 at least one week prior to the event
