Alta California Regional Center Community Placement Plan

For Fiscal Year 2017-2018

Alta California Regional Center (ACRC), serving individuals with developmental disabilities, has identified a need to develop the following programs within the ACRC catchment area (Alpine, Colusa, El Dorado, Nevada, Placer, Sacramento, Sierra, Sutter, Yolo, and Yuba) for clients who are currently residing in a State Developmental Center (SDC), Mental Health Rehabilitation Center (MHRC), and Institutes for Mental Disease (IMD), or are at risk of admission to one of these restrictive settings.

PROPOSED NEEDS

A brief description of each project is on page two of this notice, some of which will be developed using a Housing Development Organization (HDO).

RFP ORIENTATION

ACRC is hosting a Request for Proposal (RFP) Orientation to introduce these projects in greater detail including the targeted client profiles for each. The RFP will be handed out at this orientation. **Attending this orientation is mandatory in order to apply. Any proposals received from applicants who did not attend will not be considered.**

RFP Orientation

Date: October 19th 2017, 1:00pm to 3:00pm

Where: 2241 Harvard Street, Suite 100, Sacramento, CA 95815

We welcome your participation in the RFP process. This RFP is a solicitation to the community; therefore, if there are any individuals you know who would like to attend this orientation we encourage you to let them know. Please RSVP or direct any questions to, Dan Kilmer at (916) 978-6228, DeDe Peters at (916) 978-6541, Phil Perez (916) 978-6618, Geneva Luedtke (916) 978-6444 or email rfp@altaregional.org.

Project 1: Enhanced Behavior Supports Home (EBSH) for Children- with HDO

Four (4) bed Enhanced Behavioral Support Home (EBSH) to meet the needs of children with extensive behavioral and mental health support needs. Clients identified for this home may present behavior challenges such as, but not limited to, AWOL, property destruction, verbal and physical aggression, and resistiveness. Clients may also have psychiatric diagnoses and will require management of mental health needs. Clients will need medical care with supports, staffing, and supervision in a homelike setting. This facility will be developed using a Housing Development Organization (HDO) who will acquire and renovate the property.

Project 2: Psychiatric Treatment- Competency Training

Competency Trainer to provide training in trial readiness skills to adult and child clients which have been found incompetent to stand trial.

Project 3: Community Crisis Stepdown Home - with HDO

Four (4) bed Community Crisis Stepdown Home that will provide stepdown services for dual diagnosed adult clients transitioning from a Community Crisis Home (CCH), Institution for Mental Disease (IMD) or other emergency facilities to a less restrictive environment. This facility will include psychiatric supports to address mental health needs as well as intensive services and treatment to address developmental needs and prepare individuals for transition to a less restrictive setting. Clients are expected to have severe behaviors including, but not limited to, verbal and physical aggression, property destruction, resistive to daily routines, self-injurious behaviors, and AWOL. HDO will acquire and renovate the home for ACRC.

Conclusion

If you are interested in applying for any of the projects listed above and have the required experience, please attend the RFP Orientation. The RFP Orientation will provide a detailed description of each of the projects, as well as, an overview of the proposal criteria that will be required.

NOTE: If you know of any individual or agency who may want to apply for any of the above projects, please pass this notice on to them.
