

SELF DETERMINATION PROGRAM PRE-ENROLLMENT SUPPORTS

Prior to enrollment in the Self Determination Program, ACRC will support the client in funding for a Person-Centered Planner and an Independent Facilitator. For ACRC to fund for these services, it needs to be with one of our vendored providers. You can find Alta's PCP writers and IF's on this page

Independent Facilitation and Person Centered Planning

\$1000 towards initial PCP creation (through 024 reimbursement).

Up to 40 hours of Self Directed Supports from a vendored Independent Facilitator (through 099).

FMS Transition Support

NEW!

Additional support from FMS to clients initially enrolling in SDP, transferring from one FMS to another, or transferring from one regional center to another.

May support in coaching participants on employment laws and responsibilities, reviewing monthly budget report, and understanding adjustments to budget and spending plan.

May assist with hiring/onboarding staff through educating on interviewing and writing job descriptions, obtain background checks, educating on EVV requirements, and verifying services are HCBS compliant.

May communicate with Regional Center regarding e-billing and other RC processes.

Up to 3 months of support can be used in addition to 40 hrs of self-directed supports.
