Now, More Than Ever, Let's Step Forward to Cure TSC!

This walk is more than just an event – it's an opportunity to connect with others who understand the challenges and triumphs of living with TSC. Together, we raise our voices and take steps toward a brighter future for everyone affected by TSC, both locally and nationwide. Whether you're walking for a loved one, supporting a friend, or helping to raise awareness, your involvement makes a powerful impact.

In addition to raising crucial funds, this walk provides a chance to celebrate the strength of the TSC community, honor those affected, and build lasting connections with others who share your passion for making a difference. The spirit of our local community shines through, as we unite for a common cause with determination and hope.

Together, we can ensure that no one faces TSC alone. Join us at the Elk Grove, CA Step Forward to Cure TSC Walk and take the next step toward a world without TSC.
